

Net Worth

Use this worksheet to determine your net worth. Letting the items we've listed serve as a guide, enter your assets and your liabilities. Add up each column and subtract liabilities from assets; the result is your net worth.

Assets	Liabilities
Checking/Saving Accounts	Mortgage
Certificates of Deposit	Credit Card Balances
Stocks/Bonds/Mutual Funds	Auto Loans
Cash Value of Life Insurance Policy	Home Improvement Bills/Loans
Real Estate	College Tuition
